Leagues

Free to play

10+ formats

Congrats to our closest-to-the-pin winners — James D & Luke P!

Huge thanks to **Golf Sync** for sponsoring our Summer League. Every shot you hit this season is scored in the Golf Sync app, and our closest-to-the-pin results went up on the bay leaderboard the second they happened — winners and all.

Golf Sync is a Richmond golf-tech company building the app that runs leagues like ours — and **running a league on it is free**, with a deep menu of formats and side games built in (Stroke Play, Stableford, Modified Stableford, Chicago, Match Play, Skins, Wolf, Vegas, Nassau, Bingo-Bango-Bongo, plus team formats like Scramble, Best Ball and Alternate Shot). If you've got a weekend group, it's the easiest way to run your own season — and for every player, it's **free**.

Running a league on Golf Sync is free, and it's **free for every player** — live leaderboards, season standings, and a deep menu of formats and side games at no cost. Hosting a one-day tournament? Those start at just **\$100/event**.
