What do Indoor Golf RVA and Golf Sync have in common?

We're both proud Richmond golf brands.

Golf Sync powers our Summer League — the live leaderboards on the bay screens, the side games, the standings you're chasing. They're a local golf-tech company, and we love supporting RVA businesses like us.

Got a weekend group, a work crew, or a buddies' game? **Running your own league on Golf Sync is free** — and so is playing. Pick from a deep menu of formats and side games (Stroke Play, Stableford, Modified Stableford, Chicago, Match Play, Skins, Wolf, Vegas, Nassau, Bingo-Bango-Bongo, plus team formats like Scramble, Best Ball and Alternate Shot) and let the app handle the scoring. (Hosting a one-day charity or member tournament? Those start at just **\$100/event**.)
