

PROUD SPONSOR OF THE INDOOR GOLF RVA SUMMER LEAGUE

Built in RVA

Leagues

Courses

What do Indoor Golf RVA and Golf Sync have in common?

We're both proud Richmond golf brands.

Golf Sync powers our Summer League — the live leaderboards on the bay screens, the side games, the standings you're chasing. They're a local golf-tech company, and we love supporting RVA businesses like us.

Run a charity scramble or a member tournament? Golf Sync does day-of tournaments **starting at \$100**. Run a course? Put it on Golf Sync **starting at \$200/mo**. Either way, the player app is **free**.

Golf Sync is **free for players** — that's the league app you're scoring on. For organizers, run a tournament day **starting at \$100/event**. For courses, add a digital player experience **starting at \$200/mo**.
